

UNIVERSITY OF
BIRMINGHAM
DUBAI

The University of Birmingham Dubai is an elite, world top 100 university located in the heart of Dubai International Academic City. The University of Birmingham was founded in 1900 and boasts 11 Nobel Prize winners among former students and staff. As well as having a TEF Gold standard for teaching, 87% of Birmingham's research activity is measured as having global impact by the Research Excellence Framework (REF).

The University of Birmingham is delighted to announce the building of an outstanding new campus in Dubai International Academic City. This new campus demonstrates our continuing commitment to providing a world-leading, research-informed and elite university education in the heart of the United Arab Emirates.

Opening in 2021, our campus will provide an academic home for up to 4,500 students, a community for Birmingham alumni in the region and hub for community outreach and engagement activities. Collaboration is at the heart of our campus design, encouraging interdisciplinary work across our academic subject; from Computer Science to Psychology. Flexible learning spaces ensure teaching and research can work in tandem to benefit our students.

We deliver a range of programmes across undergraduate and postgraduate levels covering Artificial Intelligence, Accounting and Finance, Business, Computer Science, Economics, Law, Mechanical Engineering, Money Banking and Finance, Psychology, Software Engineering and Teacher Training.

The University of Birmingham Dubai encourages bold, independent thinking, our degree programmes will stretch and challenge students to achieve their potential, develop their career and pursue their interests. Your future starts here!
