INTRODUCTION

Under the patronage and the attendance of HH Sheikh Humaid Bin Rashid Al Nuaimi, Member of the Supreme Council and Ruler of Ajman, Ajman Chamber of Commerce and Industry is Organizing the Tenth edition of Ajman Education & Training Exhibition 2023. The event to witness a distinctive and extended participation of the most prominent and major educational institutions from the UAE as well as from Arab and foreign countries

AETEX was launched in 2013 with the focus to highlight the best education options for the citizens of Ajman in compliance with the forward-looking and futuristic vision of HH Sheikh Humaid Bin Rashid Al Nuaimi, Member of the Supreme Council, The Ruler of Ajman who mentioned in the opening speech of the event in 2014 that:

Education is a Humanitarian Value,

In the previous year's editions, the Exhibitions achieved a remarkable success by attracting more than 65 international educational institutions. More than 5,000 students visited the Exhibition from Ajman, Ras Al Khaima, Umm Al Quwain and Fujairah making the event one of the most successful educational exhibitions in the region especially with a variety of nationalities who live in Ajman, from Arab and foreign countries. The participants managed to meet and interact with both local students (UAE citizens) and other expats from about 10 countries (Egypt, Palestine, Jordan, Syria, Lebanon, Libya, Morocco, Algeria, Oman, Bahrain, India, Pakistan and others)

AETEX provides the best higher education opportunities and is regarded as the most appropriate platform for leading universities and educational institutions to compete in offering the latest educational programs for students from Ajman and the UAE..

The exhibition was launched 9 years ago and has been recorded a major success making it one of the top educational and academic event and the leading international higher education exhibition in the region, thanks to the variety of visitors and the associated special media campaign.

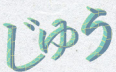

WHY AJMAN?

In view of the increasing number of educational exhibitions worldwide, universities and educational institutions have started focusing on participating in the most suitable locations that can attract the targeted student audience who will benefit from their physical presence. It is well-known now that the success of any event is not measured by the number of visitors, but rather the quality of these visitors and the achievement of the goals and targets set by the educational institutions.

Ajman is characterized by its strategic geographical location among other Emirates and is set to become the main Emirate that creates an environment which is conducive for expats to live together with locals. This is attributed to the facilities it offers and the reasonable costs of living compared to other places, in addition to the earnest and continuous efforts made by the government of Ajman to improve and develop the Emirate's infrastructure.

The different nationalities living in Ajman give it the special identity which has been reflected in the exhibitions and events organized there here in terms of the various nationalities of visitors and their different cultural backgrounds.

وزارة التربية والتعليم
MINISTRY OF EDUCATION

About Ministry of Education

With the lay of the first construction block of the Union of the Emirates, the founder and his fellows saw education as the foundation to build a society capable of keeping pace with progress. Over the past decades, the interest of the leadership focused on building an educational system comparable to those in developed countries, investing all resources to achieve its goals.

To achieve their visions, our wise leadership has accelerated the development of education to achieve high-quality educational outcomes.

Through a large investment in human power, the UAE was keen on creating the necessary conditions to build pioneering Emirati institutions, characterized by a high- quality learning environment and equipped with the highest modern technology tools that enable generations of students to complete their higher education. This started with the opening of the UAE University, Higher Colleges of Technology, Zayed University in Abu Dhabi and Dubai and private higher educational institutions that foster creativity in the national youth, supported by new academic disciplines to cope with the labour market requirements.

The Ministry of Education has been working hard to develop curriculum learning standards and national assessment to emulate best global practices.

The Ministry also supports the country's strategy to promote a culture of creativity and innovation through providing students with twenty-first century skills to keep pace with global developments, the promotion of education and leading it to new horizons.

WHY AETEX?

AETEX is not only an exhibition where exhibitors demonstrate their products and services but it is also a learning opportunity, a knowledge factory and a tool to enable students to make the right decision for their academic and professional future.

The Exhibition was inaugurated by H.H. Sheikh Humaid Bin Rashid Al Nuami, Member of the Supreme Council & the Ruler of Ajman and Sheikh Ammar Al Nuaimi. The visitors of the Exhibition included the members of private universities league in GCC countries and other officials, and this showed the extent of support and interest in AETEX, as an essential step towards ping the educational system in Ajman and other Emirates.

HH Sheikh Humaid Bin Rashid Al Nuami, Member of the Supreme Council and the Ruler of Ajman has emphasized the importance of AETEX in bringing the latest developments in the field of higher education and he highlighted its positive impact on the universities, Emirate of Ajman and the UAE. This event is meant to be the main platform for developing the educational system where the citizens and expats in Ajman and other Emirates can find the best educational institutions to meet their higher education and training needs.

The media campaign associated with the exhibition, contributed the quality of visitors encouraged the universities from outside Ajman to participate in 2018 as well. This has led Ajman Chamber of Commerce and Industry to render more support to the Event with the aim of attracting the most prominent universities in the Middle East and other countries to exhibit their relevant academic programs, and best educational offers, meet and interact with students from Ajman and other Emirates before their final high school exams.

Ajman University: Making Success Happen with World-Class Education in the Heart of UAE

Make It Happen, Ajman University's motto sums up its credo! Ranked among the top 700 universities worldwide, AU is committed to making success happen for its students.

Established in 1988 as the first private university in the GCC, Ajman University (AU) has grown into a diverse, globally accredited institution of excellence. Since its debut in QS Rankings in 2018, it has risen an incredible 300+ places to rank among the Top 700 institutions worldwide.

AU was the first university in the UAE to admit expatriate students. Since then, our institution continues to be a pioneer for inclusion, innovation, and social impact. In the QS Arab Region Rankings 2023, AU was ranked #27 overall, and #1 for both international students and faculty.

Creating stellar employment outcomes for its students after graduation, AU is also ranked 2nd best in the UAE among private universities and 3rd best among all UAE-based universities for employer reputation as per QS.

Each of AU's 22 undergraduate and 13 graduate programs offer academic rigor as well as hands-on experience. Our 9 colleges are focused on putting imaginations into action for the greater good. Our multinational faculty are experts in their fields, with ever-increasing research capacity.

In addition to conferring valuable degrees that lead to meaningful careers, we believe our role is to foster every student's innate sense of curiosity and to inspire lifelong learning. Our global network of 39,000+ alumni since inception is inventing the future right now.

AU is a global university in a local community with constant mobility! Our diverse and inclusive cohort of students and faculty travel across the UAE - and around the world - to learn, teach, and make a positive impact. What sets us apart from other institutions is this unique culture of innovation and compassion. We make a difference with our hearts as well as our minds.

Our motto is "Make it Happen" and we deliver on that message every day!

X

جامعة دبي
UNIVERSITY of DUBAI

The University of Dubai (UD) has become home to multi-talented students, distinguished staff and world-class faculty members with diverse multicultural backgrounds. The University has developed a well-established educational platform for research opportunities through its advanced campus resources, laboratories and centers.

From local conferences and seminars to international summits, the University of Dubai has played an integral role in fostering connections, promoting youth empowerment and building a liaison between the professional and the academic communities.

The University of Dubai offers an extraordinary variety of business, law, engineering and IT programs that aim to educate and raise entrepreneurs and leaders of the future. (Add numbers and more details about programs)

The primary objective of its programs is to uncover the potential and unleash the creativity of students who are going to make a difference in the world. Its classrooms and lectures are designed to provide a comprehensive understanding of global learning concepts including innovation, social responsibility, global leadership, conflict resolution, diversity, sustainable development, interdependence in addition to human rights, values and perceptions.

Licensed nationally by the Ministry of Education, the University of Dubai (UD) is an accredited University based in the United Arab Emirates. It was the first private University in Dubai to hold the Association to Advance Collegiate Schools of Business (AACSB) international accreditation in 2009 and the first private University in the UAE to hold the ABET-CAC accreditation for its Computing and Information Systems (BS) program in 2006. Its curriculum is aligned with international professional certification bodies such as Institute of Leadership & Management (ILM)-UK, which awards BBA HRM and MBA Leadership & HRM graduates with level 5 and 7 certifications. Similarly, the curriculum is aligned with Islamic Economy, Smart City, Innovation and Entrepreneurship initiatives of the government with IBM partnership.

City University Ajman is an institution of higher education, licensed by the Ministry of Education - Higher Education Affairs in the United Arab Emirates. City University Ajman provides a holistic learning environment that fosters research, innovation, and personal growth. It provides students with the knowledge, opportunity, and support needed to enable them to achieve their individual aspirations, make a positive contribution to society, and become leaders in their respective fields. The University offers various academic programs in the disciplines of Dental Surgery, Business, Law, Media, and Education at the undergraduate and graduate levels, offered in English and Arabic languages. One of the University's major strengths lies in a strong team of highly qualified, diverse, and dedicated faculty and staff. The University offers top-quality education and ensures all academic programs and portfolios remain contemporary, interfaced with the industry, to meet job market demands and international standards.

On the international accreditation and rating levels, CUA continues to make progress. Presently, there are concerted efforts to pursue and secure international accreditation, such as AACSB, AQAS, and Hceres. In 2021, it garnered an overall 4-star rating, including a 5-star rating in teaching and learning and a 5-star rating in online learning by the QS star rating system which is part of QS World University Ranking System.

In 2022, CUA marked a milestone achievement when the institution earned University status from the Ministry of Education - Higher Education Affairs. While maintaining the optimal quality for its current offerings, CUA is in the process of launching new programs in Humanities and Technology. Furthermore, CUA aspires to launch new programs in the fields of health sciences, engineering, and architecture.

Recognizing that the quality of an academic institution is a function of its faculty profile, we have made a concerted effort to significantly enhance it. Today, the institution has 80 full-time faculty members. This faculty pool is diverse as it comprises over 25 different nationalities..

The student profile shows strong growth in numbers as well as diversity. Currently, the institution serves more than 1500 students from over 50 nationalities. Over the years, the alumni count has grown and stands presently at over 3000.

The visionary leadership has ensured a state-of-the-art infrastructure that supports CUA's future growth.

The University campus is constructed over AED 350 million, the current campus with modern infrastructure is sufficient for the needs and future demands of teaching and learning spaces, student services areas, technology expansion, and innovation centers. The contemporary design provides for and can accommodate well-equipped classrooms and laboratory spaces.

The United Arab Emirates University (UAEU) - the first and foremost comprehensive national university in the United Arab Emirates. Founded in 1976 by the late Sheikh Zayed Bin Sultan Al Nahyan, UAEU aspires to become a comprehensive, research-intensive university and currently enrolls approximately 13,000 Emirati and international students. As the UAE's flagship university, UAEU offers a full range of accredited, high-quality graduate and undergraduate programs through nine Colleges: Business and Economics; Education; Engineering; Food and Agriculture; Humanities and Social Sciences; IT; Law; Medicine and Health Sciences; and Science. With a distinguished international faculty, state-of-the art new campus, and full range of student support services, UAEU offers a living-learning environment that is unmatched in the UAE.

In its drive to achieve international research stature, UAEU works with its partners in industry to provide research solutions to challenges faced by the nation, the region, and the world. The University has established research centers of strategic importance to the country and the region which are advancing knowledge in critical areas ranging from water resources to cancer treatments. UAEU is currently ranked #7 in the Arab World and #284 worldwide.

UAEU's academic programs have been developed in partnership with employers, so our graduates are in high demand. UAEU alumni hold key positions in industry, commerce, and government throughout the region. Our continuing investments in facilities, services, and staff ensure that UAEU will continue to serve as a model of innovation and excellence.

أكاديمية شرطة دبي

التدريب العسكري

تعمل أكاديمية شرطة دبي من خلال الإدارات المعنية بالتدريب العسكري على غرس مفهوم الضبط والربط العسكري.

تهدف الإدارة إلى تخريج ضباط يتميزون بدرجة عالية من الكفاءة التدريبية والانضباط العسكري، وذلك من خلال عملية التدريب الميداني بدءاً من مدخلاتها مروراً بجميع عملياتها، وانتهاءً بمخرجاتها النهائية. فهي عمل متكامل يقوم به نخبة من المدربين المؤهلين على أعلى المستويات.

أنشئت كلية شرطة دبي في العام 1987 بمقتضى القانون رقم (1) لسنة 1987م. وبدأت الدراسة رسميًا في التاسع عشر من سبتمبر لعام 1987م.

احتفلت الكلية بتخريج الدفعة الأولى من الضباط المرشحين والضباط المتفرغين الحاصلين على درجة الليسانس في القانون وعلوم الشرطة في الثلاثين من أكتوبر عام 1991.

تحولت "كلية شرطة دبي" إلى مسماها الحالي "أكاديمية شرطة دبي" وذلك بموجب القانون رقم (11) لسنة 2005م بشأن إنشاء أكاديمية شرطة دبي.

واكب تطور الأكاديمية عبر ما يزيد على ثلاثين عاماً (1987 - 2019) إنشاء مجموعة من البرامج الأكاديمية المتخصصة لمنح درجات الدبلوم، والماجستير، والدكتوراه. وما زالت أكاديمية الشرطة تسعى حثيثاً لتطوير برامجها بما يحقق الأهداف الاستراتيجية للقيادة العامة لشرطة دبي.

X

جامعة محمد بن زايد للعلوم الإنسانية جامعة حكومية في إمارة أبوظبي. تتمتع بالشخصية الاعتبارية المستقلة، والأهلية القانونية كاملة التصرف، وذلك بموجب قانون الإنشاء رقم: ٢٠ لسنة ٢٠٢٠. تهدف الجامعة إلى دعم مسيرة التنمية والتطوير والبحث العلمي، عن طريق طرح برامج أكاديمية في العلوم الإنسانية والاجتماعية والفلسفية؛ لنيل درجة البكالوريوس والماجستير والدكتوراه؛ لتكون مركزاً أكاديمياً مرموقاً على مستوى العالم، في مجال العلوم الإنسانية والاجتماعية والفلسفية. وتسعى بشكل خاص إلى تقديم برامج أكاديمية متميزة في اللغة العربية وآدابها، وفي الدراسات الإسلامية بفروعها؛ بهدف تقديم الإسلام والثقافة العربية بطريقة حضارية وإنسانية، تقوم على نشر فضائل التسامح والمحبة واحترام حقوق الانسان، وإعلاء قيم الاعتدال والوسطية والانفتاح على ثقافات وشعوب العالم المختلفة.

وفي سبيل ذلك تسعى الجامعة إلى تمكين الخريجين من امتلاك القدرة على المبادرة، والإبداع والتفكير الناقد، وبث الروح الإيجابية، والانتماء للوطن، وترسيخ القيم التي تقوي الأواصر الاجتماعية، وترسخ التوازن النفسي والفكري والمادي؛ ليكون المجتمع الإماراتي منارة علمية، وأ نموذجاً عالمياً مؤثراً في التوجه العالمي، وتحقيق نموذج الانفتاح على العالم بعقلية مبدعة، وقيم إنسانية وتعايش فعلي، وتعاون بناء لخير البشرية.

تقع جامعة محمد بن زايد للعلوم الإنسانية في مدينة أبوظبي، ولها فرع في إمارة عجمان. وتسعى حالياً لافتتاح فروع أخرى داخل الدولة وخارجها.

Mohamed Bin Zayed University for Humanities is one of Abu Dhabi's premier state universities offering a wide range of academic programs in the humanities, social sciences, and philosophy. We are proud to promote Islamic and Arabic culture in its modernized form in alignment with our core values which constitute respect for human rights, harmony, and moderation. We offer graduate and postgraduate degrees in Islamic Studies and Arabic Language and Literature. We help our students to become globally aware, and to have a positive impact in the world. The university's main campus is in Abu Dhabi with a satellite campus in Ajman.

جامعة الشارقة
UNIVERSITY OF SHARJAH

X

إن جامعة الشارقة هي الجامعة الأولى والوحيدة في دولة الإمارات العربية المتحدة التي توظف مفهوم مجالات التخصصات الأكاديمية حيث توجد فعليا الكليات والمراكز المماثلة في حقول قريبة. هذه الميزة فريدة للجامعة فهي تسهل تقاسم الموارد المشتركة، مثل المختبرات والمكتبات بين الكليات. وتسمح للطلاب من حقول مشابهة التفاعل بتبادل الخبرات والتحديات.

تطرح جامعة الشارقة ما يزيد على 100 برنامج في تخصصات أكاديمية متعددة. تشمل البرامج المطروحة مجموعة متنوعة من التخصصات في الشريعة والقانون والعلوم الصحية والطب والفنون الجميلة والتصميم والهندسة والاتصال. كما تطرح نطاقا واسعا من برامج الدرجات في مستويات الدبلوم وال بكالوريوس والماجستير والدكتوراه، بالإضافة إلى برنامج الماجستير التنفيذي في إدارة الأعمال

The University of Sharjah is a comprehensive academic institution with a distinctive learning style and a global vision. It is a pioneer in academia, scientific research and the arts in the UAE and the GCC region. All programs are accredited by the UAE Ministry of Higher Education and Scientific Research. Some programs such as Engineering, Communication, Science and Business have attained international accreditation.

UOS offers more than 100 programs across multiple academic disciplines.

Courses are offered in a variety of fields ranging from Sharia and Law to Health Sciences, Medicine, Fine Arts and Design, Engineering and Communication. We also offer a wide range of degree programs at the diploma, BSc/BA, MSc/MA, and PhD levels as well as the Executive MBA (EMBA) program.

AURAK

الجامعة الأمريكية في رأس الخيمة
AMERICAN UNIVERSITY OF RAS AL KHAIMAH

The American University of Ras Al Khaimah (AURAK) is a public, non-profit and independent institution of higher education in the UAE. It solely focuses on providing an enhanced student experience as they embark on their journey to learn, grow, and succeed.

Located just 45 minutes from Dubai, its 1.3million square foot campus delivers integrated American-style academic programs with a strong focus on the local indigenous culture.

AURAK is officially licensed by the UAE's Ministry of Education to award qualifications in higher education. The University has earned accreditation through the Commission for Academic Accreditation (CAA) of the Ministry of Education for all degrees offered at the institution.

AURAK is accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award bachelor's and master's degrees.

AURAK has been awarded international accreditation by the Quality Assurance Agency (QAA), the UK's quality body for higher education.

The majority of **AURAK**'s undergraduate engineering programs are accredited by the Accreditation Board of Engineering and Technology (ABET). The School of Business is a member of AACSB International. ACCA has granted AURAK exemption accreditation for several courses required for the Chartered Certified Accountant qualification for students who have completed a BSBA Major in Accounting or a BSBA Major in Finance.

AURAK has witnessed tremendous success over the years and successfully developed unique and innovative academic programs, attracted new, highly qualified, international faculty and staff, and significantly increased student enrollments from all over the world. The University has constructed an adaptable organizational structure to deal with the soaring demand, leading to the creation of three academic schools in Business, Engineering, and Arts & Science.

Our alumni are important members of the **AURAK** community and are vital to our ongoing success. Upon graduation, our graduates will join a network of more than 1,300 alumni who continue to contribute to the UAE and the global knowledge-based economy through their research, expertise, and innovative concepts.

AURAK has strong partnership agreements with leading regional and international organizations enable our students and graduates to gain the necessary work experience, knowledge and tools to make meaningful contributions as professionals in their field on a global level.

AURAK remains firm in its unwavering mission for cultivating excellence, attaining regional and global recognition, and empowering today's youth and tomorrow's leaders

Welcome at

ALDAR ACADEMY

ALDAR Academy (Originally ALDAR University College) was established in 1994.

ABOUT US

Based on international and national standards, ALDAR Academy provides affordable training technical and vocational programmes without compromising on quality and code of ethics. The academy aims further to substantially increase the number of learners who have relevant technical and vocational skills that are required for employment, decent jobs, and entrepreneurship.

ALDAR Academy vision is aligned with the UAE National Agenda and UAE Sustainable Goals. Hence, ALDAR Academy aims to build relevant skills to coincide with new emerging technologies, materials, and systems, while ensuring equal access for all types of learners. The academy offers instructional practical programmes in various disciplines of Information technology, business and management, IT and Computing, Engineering, Art and Media, entrepreneurship, soft skills, languages, professional education, and fashion designing.

The main goal of ALDAR Academy is to equip learners with adequate employability skills, knowledge, interpersonal skills, and a global outlook to gain meaningful employment upon completion of their studies.

The current campus has a strategic urban location at the heart of the historic business district of Dubai. This distinctive location provides our students with easy accessibility to various services.

The British University in Dubai

The British University in Dubai (BUiD) is a not-for-profit institution, which was established in 2003 to be the region's leading research-based university, facilitating excellent education, training and research. It provides an important and growing community and resource for young professionals, leading academics, corporate managers and aspiring leaders of all description.

The UAE Ministry of Education - Higher Education Affairs licenses BUiD to award its own degrees. BUiD achieved global quality accreditation through the Quality Assurance Agency for Higher Education (QAA). BUiD's qualifications are also recognised internationally by NARIC. BUiD's internal quality assurance include processes that ensure our programmes and students' achievements are of standards on a par with those of our UK Universities Alliance partners (the University of Glasgow, the University of Edinburgh, and the University of Manchester). The UK Universities Alliance collaborates with BUiD within a Concordat agreement that provides a comprehensive framework for the strategic directions and governance of the Alliance.

BUiD offers full and part-time research based Doctorate and PhD programmes, Masters and MBA programmes, and Postgraduate Diplomas, in the fields of education, business, law, engineering, finance, construction, and IT.

BUiD also offers undergraduate programmes in the fields of computer science, AI, engineering, architecture, finance, and business.

The founders of the University are the Al Maktoum Foundation, the Dubai Development and Investment Authority (now Dubai Holding), Rolls-Royce, the British Business Group, and the National Bank of Dubai (now Emirates NBD). The University is governed by a Council under the chancellorship of His Highness Sheikh Ahmed bin Saeed Al Maktoum.

BUiD works in collaboration with leading organisations and institutions including its major contributing partner the Knowledge Fund Establishment, Atkins, the UAE Ministry of Education, and government and associated bodies across the UAE's public and private sectors.

Institute of
Management Technology
Dubai

Founded in 2006, IMT Dubai has emerged as a leading business school in the region offering high-quality and accredited business programs. IMT Dubai is the only stand-alone business school in the UAE licensed by the Ministry of Education, UAE. With a high-quality curriculum, world-class faculty, outstanding infrastructure, and facilities, students at IMT Business School experience a unique and conducive learning environment. One of the key advantages of our academic programs is the strong industry interface students get through continuous engagement with the local industry through internships, company projects, and panel discussions.

Academic programs of IMT Dubai are inter alia built around the following principles-

- Having a robust academic focus to foster conceptual knowledge among business students;
- Having pervasive industry linkage to develop application skills; and
- Inculcating aspects of competence comprising autonomy and responsibility, self-development and role in context

The extensive internship component of the academic programs helps achieve its mission of imparting quality education to prepare the next generation of ethical business professionals. This is aimed at sub-serving the business and industry need for competent professionals having the ability to adapt to the ever-changing realities of the political, economic, and business environment. Each program curriculum is designed with care to infuse the entrepreneurial spirit with a sense of ethical values. Its highly accomplished and diverse faculty ensures academic rigor with utmost dedication, brings research insight and pedagogical innovation to the classroom, and synchronizes academic deliberations in the local and global context. This combined with several industry engagement programs such as UAE immersions, internships, live business projects, and panel discussions is the strength that IMT Dubai takes pride in..

With over 2000 Alumni globally dispersed and engaged in large MNCs and government entities, IMT Dubai continues to make a mark in the world of business and society. Over the years our graduates have excelled in the corporate world and many have risen the ranks to become well-known leaders in their respective industries.

Middlesex University Dubai is a dynamic university with a reputation for innovation and excellence in teaching and research. You can find us in one of the fastest growing, safest and most multicultural cities in the world!

Middlesex University Dubai is the first overseas campus of the internationally renowned Middlesex University in London, and our UAE campus opened in January 2005. We now welcome 4,500+ students from more than 118 nationalities, and offer foundation, undergraduate and postgraduate programmes in a wide variety of subjects, as well as being the first and only university to offer a face-to-face LLB (British Qualifying Law) Degree.

Middlesex University is committed to meeting the needs and ambitions of culturally and internationally diverse students, by providing challenging academic programmes driven by innovative research, grants and professional practice.

We prepare our students to be highly skilled individuals prepared for the modern world, committed to life-long learning and able to contribute to their working environment.

As well as having all the advantages associated with being a British university, Dubai campus students can also benefit from studying in the heart of Dubai! Our primary campus is located in Dubai Knowledge Park, occupying high-tech classrooms and study areas across three buildings. Our second campus is located in Dubai International Academic City, with state-of-the-art facilities, learning labs and independent study spaces.

For more information about the programmes and the range of grants available visit www.mdx.ac.ae or contact our Admissions Team: admissions@mdx.ac.ae

ROCHESTER INSTITUTE OF TECHNOLOGY OF DUBAI

Established in 2008, located in and sponsored by Dubai Silicon Oasis. RIT Dubai is a not-for-profit global campus of the esteemed Rochester Institute of Technology in New York, one of the world's leading technological-focused universities with a storied 185-year history.

RIT Dubai offers highly valued Bachelor's and Master's degrees in business and leadership, engineering, and computing.

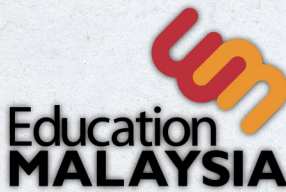

The curriculum provides students with relevant work experience through an innovative cooperative education program that helps students stand out in today's highly competitive job market.

All of RIT Dubai's programs are UAE Ministry accredited. Students of RIT Dubai also have the unique opportunity to choose to study abroad at the main campus in New York or at one of its other global campuses.

All Business degrees at Rochester Institute of Technology of Dubai are accredited by the Association to Advance Collegiate Schools of Business International (AACSB) and all engineering degrees are accredited by the Board of Engineering and Technology (ABET).

RIT Dubai is also licensed by the Knowledge and Human Development Authority (KHDA), UAE.

OVERVIEW OF SKYLINE UNIVERSITY COLLEGE

ENGLISH PROFILE

Skyline University College (SUC) was established in 1990 in Sharjah, under the patronage of H.H. Sheikh Dr. Sultan Bin Mohammed Al Qassimi, a member of the UAE Supreme Council and the Ruler of Sharjah. He has always supported SUC in its pursuit to offer quality education. SUC responds innovatively and effectively to train human resources in the fields like Human Resources, Public Administration, Innovation and Entrepreneurship, Aviation, Hospitality, Travel & Tourism, Information Technology & Systems, Marketing, International Business and Accounting. In order to internationalize the programs, SUC is in the process of acquiring AACSB and ABET accreditation for equalizing the programs to the international standards so that the students will have opportunities for mobility between local and international universities. SUC has achieved an overall 4 star QS star rating with a 5 star QS rating on Teaching and 4 Star on Academic Development. SUC is actively pursuing benchmarking activities with Universities under EUMMAS (European Marketing and Management Association).

SUC has a School of Business and a School of Information Technology offering undergraduate degrees in Business Administration and Information Technology, which are fully-approved and accredited by the Ministry of Education (MOE), UAE.

The campus of SUC is spread over 40 acres of land which is located in University City of Sharjah. SUC is a well-equipped university which caters for its diverse student needs by equipping them to meet the demands facing a young managerial workforce. SUC also prepares its students to meet the challenges of the new century by acquiring relevant knowledge, skills and values.

The Institution has articulation agreements with various colleges/universities in Canada, UK, USA, Australia, New Zealand, Ireland, India and Pakistan, which facilitate the exchange of students for further study opportunities.

Sorbonne University Abu Dhabi University was established in May 2006 under the patronage of His Highness Sheikh Mohammed bin Zayed Al Nahyan, Crown Prince of Abu Dhabi and Deputy Supreme Commander of the UAE Armed Forces, the Department of Education and Knowledge (ADEK) and Sorbonne University, as part of the Emirate's vision for academic and cultural growth.

This historic agreement represented a shared vision between the UAE Government and Sorbonne University in Paris to bring excellent standards of French education to the Middle East. Sorbonne University and Université Paris Cité were all signatories to the agreement to establish the Abu Dhabi campus and to provide specialized undergraduate and postgraduate academic programs and lifelong learning programs.

In December 2009, Sorbonne Abu Dhabi moved into its purpose-built, permanent campus on Al Reem Island in Abu Dhabi including over 93,000m² of teaching, recreational and accommodation facilities. This included a library, a 700-seat auditorium, a sports center and a cafeteria.

The university is always committed to Abu Dhabi's vision of creating a cultural and scientific hub and expanding its outreach to students locally and across the world.

AMITY
UNIVERSITY
DUBAI

AMITY UNIVERSITY DUBAI

Established in 2011, Amity University Dubai is one of the leading international universities in the UAE.

The university, which is licensed by the UAE Ministry of Education (MOE) and the Knowledge and Human Development Authority (KHDA) in the UAE, with degrees accredited by the MOE through the Commission for Academic Accreditation (CAA), has world-class facilities and state-of-the-art labs for specialised courses such as aerospace, construction, media, design, hospitality and more, for real-life simulations and on-the-job learning, and is spread over a 700,000 sq ft area.

The campus also has sporting facilities such as a 400m running track, indoor swimming pool, basketball courts, cricket nets, and tennis courts.

Amity University Dubai offers more than 30 programmes, including foundation courses, Bachelor's degrees, Master's degrees and PhD programmes, spanning industry sectors, including business, engineering, computer science, and more. These degrees are formally recognised by leading professional organisations such as CIPD, ACCA, CPA, AHRI, CIM, CIMA, CIPS, EFQM and ACS. The university has a strong cohort of highly-qualified academic staff who are recognised as leaders in their fields of expertise and have strong industry and corporate ties.

The university is part of Amity Education Group, founded over 30 years ago with over 175,000 students, 85,000 alumni and 6,000 teaching faculty.

UNIVERSITAS ISLAM INTERNASIONAL INDONESIA (UIII), otherwise known as the Indonesian International Islamic University was established in 2016. It took nearly five years to make our dreams come true: the first academic year in the first semester of 2021. Our motto, “Truth and Humanity” highlights the concept of Islam *Rahmatan lil ‘Alamin*; Islam as a guide to love and cherish all beings, nature, and environment.

UIII is built philosophically based on three pillars. The first pillar is post-graduate education, which offers education for master's and doctoral programs in Islamic education, science, and technology. The second pillar is the Centre for Civilization and Culture, which is devoted to the study, preservation, development, and promotion of Indonesian Islamic culture and civilization including through the development of museums, manuscript centres, mosques, arts and performance centres, and cultural exhibitions and festivals. The third pillar is a centre for research and study that addresses the strategic issues that the Muslim community and the global community, in general, experience in relation to respective political, economic, social, and demographic contexts.

UIII currently provides 4 (four) faculties and offers academic programs at **Master's (MA) and Doctoral (Ph.D.)** levels. The Faculty of Islamic Studies, the Faculty of Social Sciences, the Faculty of Economics and Business, and the Faculty of Education. The university also has various research centres with specific research agendas responding to strategic issues and challenges related to Muslim societies worldwide

Our Mission

Our main mission in this company is to provide all the necessary assistance to students during their studies, and we are keen to provide the appropriate environment for living and studying, providing all facilitation services, and providing a helping hand to all those wishing to study in the Russian Federation.

Our Vision

Our future vision includes reaching all Arab countries and expanding all over the world by opening new horizons in terms of study and other fields and helping students to find job opportunities and get the right job for them.

Our Plan

Our plan includes gaining the confidence of all students and credibility in helping them in terms of the annual expansion of the company, concluding new contracts, and providing more options in terms of the number of universities and required specializations so that students can find the optimal university or specialty

Campus France is the French public agency in charge of promoting French higher education in the UAE and worldwide.

Our main missions :

- Provide comprehensive insights about French higher education system, available programs in France at the bachelor, master and PHD levels.
- Provide a step-by-step guide about admissions to French universities and student visa application procedure.
- Help students plan their academic journey and choose the best programs that match their interests.
- Inform students about scholarship opportunities, housing, and student life in France.
- Connect former students of French higher education with students contemplating pursuing their higher education in France.

جامعة العلوم والتقنية في الفجيرة
UNIVERSITY OF SCIENCE & TECHNOLOGY OF FUJAIRAH

جامعة العلوم والتقنية في الفجيرة

ننطلق معا

جامعة العلوم والتقنية في الفجيرة، هي مؤسسة تعليم عالٍ معتمدة من قبل مفوضية الاعتماد الأكاديمي بوزارة التربية والتعليم بدولة الإمارات العربية المتحدة ويمتد تاريخها لما يقارب ٢٠ عاماً في خدمة قطاع التعليم العالي في الدولة وذلك منذ نشأت الجامعة في عام ٢٠٠٠ إلى أن تقرر تغيير مسماها إلى جامعة العلوم والتقنية في الفجيرة عام ٢٠١٩ وذلك بدعم غير محدود من صاحب السمو الشيخ حمد بن محمد الشرقي - عضو المجلس الأعلى حاكم الفجيرة حفظه الله، وبرعاية كريمة من سمو الشيخ محمد بن محمد بن حمد بن محمد الشرقي - ولي عهد إمارة الفجيرة ورئيس مجلس أمناء الجامعة - رعاه الله، لتستقي الجامعة فكرها ومبادئها من جذورها المتأصلة في إمارة الفجيرة وتنطلق بها من إمارات الخير والنماء نحو عالم لا حدود لطموحه وتطلعاته.

الرؤية والرسالة

يؤكد سعادة البروفيسور علي أبو النور - مدير الجامعة، على أن رسالة الجامعة مبنية على تعدد ثقافات منتسبها من الطلبة وأعضاء الهيئتين الأكاديمية والإدارية والتي تسعى الجامعة من خلالها إلى خدمة المجتمع وتلبية احتياجات سوق العمل بكوادر خلاقة مدعومة بالتقنيات الحديثة والمهارات الفنية اللازمة بما يخدم مساعي الاستدامة التي تتبناها دولة الإمارات العربية المتحدة، وذلك من خلال أحد عشر برنامجاً أكاديمياً تحت مظلة ست كليات تطرح أحد عشر برنامجاً أكاديمياً، جميعها معتمدة من مفوضية الاعتماد الأكاديمي بوزارة التربية والتعليم.

البرامج الحصرية والمتميزة

تطرح الجامعة، عبر كلياتها الست، مجموعة حصرية ومتميزة من البرامج الأكاديمية التي تلبي جميعها رؤية الجامعة السباقية في توفير فرص تعليمية تفاعلية تُعلي من قيم البحث العلمي وتعزز أطر التعاون المجتمعي بما يخدم قاطني دولة الإمارات العربية المتحدة والعالم أجمع. تشمل تلك البرامج درجة البكالوريوس في تخصصات طب الأسنان، الصيدلة والعلوم الصحية، الهندسة الكهربائية، القوى، الطاقة المتجددة، الاتصالات، الإلكترونيات، تكنولوجيا المعلومات، نظم المعلومات، إدارة المشاريع، الأمن السيبراني، تحليل البيانات التصميم الداخلي، إدارة الأعمال، علم النفس، علم الاجتماع، الإعلام، العلاقات العامة والإعلان، والقانون. كما تسعى الجامعة لإضافة العديد من البرامج الجديدة التي تتماشى مع متطلبات سوق العمل في مجالات العمارة، الإدارة الدولية، والمحاسبة. أيضاً تطرح الجامعة برنامج الماجستير في إدارة الأعمال إضافة إلى خطه لطرح برامج دراسات عليا في مجالات ريادة الأعمال وقانون الأمن السيبراني والخدمة المجتمعية.

جامعة الطائف
في التصنيفات

جامعة المدينة عجمان هي مؤسسة للتعليم العالي، مرخصة من قبل وزارة التربية والتعليم - شؤون التعليم العالي في دولة الإمارات العربية المتحدة. توفر جامعة المدينة عجمان بيئة تعليمية شاملة تعزز البحث والابتكار والنمو الشخصي. تزود الطلاب بالمعرفة والفرص والدعم اللازم لتمكينهم من تحقيق تطلعاتهم الفردية، وتقديم مساهمة إيجابية في المجتمع، ليصبحوا قادة في مجالات تخصصهم.

تقدم الجامعة برامج أكاديمية متنوعة تشمل تخصصات جراحة الأسنان، إدارة الأعمال، القانون، الإعلام، والتعليم على مستوى البكالوريوس والدراسات العليا، وتقدم البرامج باللغتين الإنجليزية والعربية. تكمن إحدى نقاط القوة الرئيسية في الجامعة في وجود فريق قوي من أعضاء هيئة التدريس والموظفين المؤهلين تأهيلاً عالياً والمتفانين بتقديم تعليم عالي المستوى وتوفير بيئة تحفيزية للطلاب. تتميز الجامعة بتعليم عالي الجودة من خلال تقديم برامج أكاديمية مواكبة لمتطلبات سوق العمل والمعايير الدولية.

أما على صعيد الاعتمادات والتصنيفات الدولية، تواصل الجامعة إصراراً تقديم ملحوظ ففي الوقت الحاضر، هناك جهود متضافرة لمتابعة وتأمين الاعتماد الدولي، مثل جمعية تطوير كليات إدارة الأعمال (AACSB).

اعتماد المجلس الأعلى للتقييم والبحث والتعليم العالي (HCERES) والاعتماد من قبل المؤسسة الألمانية لاعتماد البرامج الأكاديمية (AQAS) في عام ٢٠٢١، حصلت الجامعة على تصنيف ٤ نجوم، بما في ذلك تصنيف ٥ نجوم في التدريس والتعليم وتصنيف ٥ نجوم في التعلم عبر الإنترنت من خلال نظام تصنيف النجوم كيو اس الذي يعد جزءاً من نظام تصنيف الجامعات العالمية. في عام ٢٠٢٢، حققت الجامعة إنجازاً بارزاً عندما حصلت المؤسسة على مسمى الجامعة من قبل وزارة التربية والتعليم - شؤون التعليم العالي. فمع الحفاظ على الجودة المثلى لما تقدمه الجامعة حالياً من برامج أكاديمية، فإن الجامعة في طور إطلاق برامج جديدة في العلوم الإنسانية والتكنولوجيا، علاوة على ذلك، تطمح الجامعة إلى توسع ملفها الأكاديمي بإطلاق برامج جديدة في مجالات العلوم الصحية والهندسة والعمارة.

باعتبار أن جودة المؤسسة الأكاديمية تعتمد على جودة أعضاء الهيئة التدريسية بها، فقد بذلنا جهوداً متضافرة لبناء فريق متكامل من أعضاء هيئة التدريس وتخسين الملف الأكاديمي بشكل كبير. اليوم، تضم المؤسسة ٨٠ عضواً من أعضاء هيئة التدريس بدوام كامل. يتنوع مجتمع أعضاء هيئة التدريس جنسياً، حيث يجمع أكثر من ٢٥ جنسية مختلفة بمؤهلات عالية أما على صعيد ملف الطلاب، نفخر بكوننا مؤسسة تعليمية تضم طلاب من بلدان و جنسيات مختلفة فشهدت الجامعة نمواً قوياً. بعدد الطلاب وتنوعهم، تخدم المؤسسة حالياً أكثر من ١٥٠٠ طالب يضم حوالي ٥٠ جنسية. على مدى السنوات الماضية، ازداد عدد الخريجين ويبلغ حالياً أكثر من ٣٠٠٠ خريج.

ضمنت القيادة الحكيمة بنية تحتية تدعم النمو المستقبلي للجامعة حيث تم بناء الحرم الجامعي بقيمة تصل إلى أكثر من ٣٥٠ مليون درهم إماراتي، إن الحرم الجامعي الحالي ذو البنية التحتية الحديثة كاف للاحتياجات والمتطلبات المستقبلية لمساحات التدريس والتعلم، ومجالات خدمات الطلاب، والتوسع التكنولوجي، ومراكز الابتكار. يوفر التصميم المعاصر مختبرات عملية يدعم الفصول الدراسية والمنهج التطبيقي الذي يساعد الطلاب على التدريبات النظرية والعملية التي تخدم احتياجاتهم وتدعم مسيرتهم التعليمية في الجامعة.

لماذا معرض عجمان الدولي للتعليم والتدريب؟

لا يعد ايتكس مجرد معرض يمكن المشاركين فيه من عرض منتجاتهم وخدماتهم فحسب، بل هو في واقع الأمر فرصة فريدة للتعليم ومستودع للمعرفة وفوق كل ذلك وسيلة تتيح للطلاب اتخاذ اقرار الصائب فيما يتعلق بمستقبلهم الأكاديمي والمهني

لقد تم افتتاح المعرض من قبل صاحب السمو الشيخ حميد بن راشد النعيمي عضو المجلس الأعلى للاتحاد حاكم عجمان وبحضور سمو الشيخ عمار بن حميد النعيمي ولي عهد عجمان. وقد أكدت الزيارات التي قام بها أعضاء اتحاد الجامعات الخاصة بدول مجلس التعاون الخليجي والمسؤولين الآخرين مدى الدعم والاهتمام الذي يحظى به معرض ايتكس باعتباره خطوة ضرورية في اتجاه تطوير النظام التعليمي في اماره عجمان.

وقد أكد صاحب السمو الشيخ حميد بن راشد النعيمي عضو المجلس الأعلى للاتحاد حاكم عجمان على أهمية الدور الذي يضطلع به معرض ايتكس في تقديم آخر المستجدات في مجال التعليم العالي وعلى تأثيره الإيجابي على الجامعات وعلى اماره عجمان ودولة الإمارات العربية المتحدة لكون هذا الحدث يهدف أن يصبح منصة رئيسية لتطوير النظام التعليمي وموقعا مثاليا يجد فيه المواطنون والمقيمون في عجمان والإمارات الأخرى افضل المؤسسات التعليمية التي تلبي احتياجاتهم الأكاديمية والتدريبية كما يمثل فرصة واعدة ووسيلة مميزة تمكن الطلاب من اتخاذ القرارات الصحيحة بشأن مستقبلهم الأكاديمي والمهني.

وقد ساهمت الحملة العالمية الترويجية التي صاحبت هذا الحدث ونوعية زوار المعرض في تشجيع العديد من الجامعات من خارج اماره عجمان للتطلع للمشاركة في معرض ايتكس ٢٠١٩ مما دفع غرفة صناعة وتجارة عجمان لتقديم المزيد من الدعم للمعرض بهدف استقطاب أهم الجامعات في منطقة الشرق الأوسط ومن الدول الأخرى لعرض خدماتها فيالمعرض والالتقاء بالطلاب من اماره عجمان و الامارات الأخرى وعرض برامجها الأكاديمية وتقديم أفضل العروض الدراسية قبل فترة الامتحانات النهائية للمدارس.

وزارة التربية والتعليم MINISTRY OF EDUCATION

نبذة عن وزارة التربية والتعليم

منذ تشييد لبنات اتحاد دولة الإمارات العربية المتحدة في العام ١٩٧١ ، حظي التعليم باهتمام القائد المؤسس الشيخ زايد بن سلطان آل نهيان طيب الله ثراه وإخوانه المؤسسين الأوائل، إيماناً منهم بأنه الركيزة الأساسية لبناء مجتمع متميز قادر على مسيرة ركب التقدم، وعلى مدار العقود المنصرمة تمحور اهتمام القيادة الرشيدة للدولة في بناء نظام تعليمي يضيء مثيلاته في الدول المتقدمة، مسخرة كافة الإمكانيات، لتحقيق أجندة الدولة والرؤية الوطنية. وتحقيقاً للرؤى المستقبلية وتطلعات القيادة الحكيمة، بذلت جهود حثيثة لتطوير التعليم، واعتماد أفضل النظم لتحقيق مخرجات تعليمية عالية الجودة.

ولأن الاستثمار في رأس المال البشري هو الهدف الأساس، حرصت دولة الإمارات منذ تأسيس وزارة التربية والتعليم على تهيئة الظروف المواتية لبناء مدرسة إماراتية رائدة في المعايير والشكل والمضمون، تتميز ببيئة تعليمية فائقة الجودة، ومزودة بأعلى أدوات التقنية الحديثة؛ لتخريج أجيال قادرة على استكمال مسيرة تعليمها الجامعي بخطى واثقة، في مؤسسات التعليم العالي التي شهدت تطويراً وتحديثاً كماً وكيفاً، والتي بدأت بافتتاح الجامعة الأم جامعة الإمارات العربية المتحدة، ثم كليات التقنية العليا، أعقبها افتتاح جامعة زايد بفرعها في أبوظبي ودبي، ثم توالى افتتاح مؤسسات التعليم العالي الحكومية والخاصة الحاضرة لإبداعات شباب الوطن، ورفدها بتخصصات أكاديمية جديدة تواكب متطلبات سوق العمل.

وقد عملت الوزارة على توفير منظومة تعلم ذكية ومنصات رقمية، عالية الجودة، بجانب التطوير المستمر في المناهج الدراسية بمعايير تعلم وطنية، وسياسة تقييمية قائمة على القياس من أجل التعلم، وأعلى درجات الجودة لتواكب أفضل الممارسات العالمية، فضلاً عن توفير مسارات تعليمية متنوعة تدعم قدرات ومهارات الطلبة، وتساهم في تحقيق استراتيجيات الدولة لتشجيع ثقافة الإبداع والابتكار من خلال إكساب الطلبة مهارات القرن الحادي والعشرين، وحفزهم على التحلي بالأفكار الجديدة التي تتصل بالواقع، وتستشرف المستقبل للمساهمة في إيجاد الحلول الجذرية المستدامة للقضايا الحيوية، وتحسين القدرة على التنافسية، ودعم الحكومة الذكية، سعياً لمواكبة التطورات العالمية، والنهوض بالتعليم والدفع به إلى آفاق واسعة من التميز والريادة والتنافسية.

لماذا عجمان؟

في ظل ازدياد عدد المعارض الدولية للتعليم على مستوى العالم، بدأت الجامعات والمؤسسات التعليمية والأكاديمية في التركيز على اختيار انسب المواقع التي من شأنها استقطاب الطلاب المستهدفين الذين سيجنون فوائد كبيرة من الوجود الفعلي لهذه المؤسسات لا سيما أن نجاح أي معرض لا يقاس بعدد زائريه بل بمستوى ونوعية هؤلاء الزوار وبمدى تحقيقه للأهداف التي تضعها المؤسسات التعليمية.

وتتميز عجمان بموقعها الجغرافي الاستراتيجي بين إمارات الدولة وقد سعت لتصبح الإمارة الرئيسية لجذب الوافدين للعيش مع مواطنيها ويعود ذلك إلى التسهيلات التي توفرها وتكاليف المعيشة المناسبة مقارنة بالمناطق الأخرى والجهود المتواصلة لحكومتها لتطوير البنية الأساسية. يمنح المقيمون بعجمان بجنسياتهم المتعددة هوية مميزة وخاصة للإمارة، الأمر الذي ينعكس على المعارض والفعاليات التي تقام بها من حيث تنوع جنسيات الزوار وتعدد خلفياتهم الثقافية

تمكنت عجمان، الموجودة في موقع جغرافي إستراتيجي بين الإمارات الأخرى، من أن تكون الإمارة الأساسية التي تجمع المواطنين والمغتربين بفضل التسهيلات التي تقدمها، وكلفة المعيشة المقبولة فيها مقارنة بباقي الإمارات

المقدمة

تحت رعاية وحضور صاحب السمو الشيخ حميد بن راشد النعيمي عضو المجلس الأعلى للاتحاد حاكم عجمان، تنظم غرفة تجارة وصناعة عجمان في ٢٨ من فبراير حتى ٢ مارس، الدورة العاشرة لمعرض عجمان الدولي للتعليم والتدريب (ايتكس) الذي يشهد مشاركة واسعة من المؤسسات التعليمية الرئيسية من داخل دولة الإمارات العربية المتحدة وخارجها من الدول العربية والأجنبية.

وقد دشن المعرض أولى دوراته في عام ٢٠١٣ بالتركيز على إبراز أفضل الخيارات لفرص التعليم العالي المتاحة للمواطنين والمقيمين وذلك تحقيقاً للرؤية المستقبلية الثاقبة لصاحب السمو الشيخ حميد بن راشد النعيمي عضو المجلس الأعلى للاتحاد حاكم عجمان، الذي أخذ في كلمته الافتتاحية للمعرض في عام ٢٠١٤ على القيمة الإنسانية للتعليم مما يجعل من هذا المعرض منصة مثالية تمكن المؤسسات التعليمية والأكاديمية من التنافس فيما بينها لتقديم أحدث البرامج التعليمية للطلاب في إمارة عجمان.

ويعد المعرض الدولي للتعليم والتدريب (ايتكس) ثمرة للجهود الصادقة التي بذلتها غرفة تجارة وصناعة عجمان لتحقيق الخطط التي وضعتها حكومة عجمان والرامية إلى ترسيخ مكانة الإمارة كمركز دولي جديد للتعليم والتدريب مما يتيح للطلاب وأولياء الأمور على حد سواء التواصل مع ممثلي أفضل المؤسسات التعليمية بما في ذلك المدارس والجامعات ومراكز تعليم اللغات وشركات الحلول التعليمية. ممايسهل تواصل المؤسسات التعليمية المشاركة بالطلاب المواطنين إضافة إلى الطلاب المنحدرين من حوالي ١٠ دول (مصر وفلسطين والأردن وسوريا ولبنان وليبيا والمغرب والجزائر وسلطنة عمان والبحرين والهند وباكستان والعديد من الدول الأخرى).

ويقدم ايتكس فرص التعليم العالي الأفضل وهو المنصة الأمثل للجامعات والمعاهد الرائدة للتنافس فيما بينها لعرض برامجها الأحدث أمام طلاب عجمان، وأيضاً أمام طلاب دولة الإمارات العربية المتحدة

وعلى الرغم من قصر مدة انطلاقه لأول مرة منذ ٩ سنوات، أصبح هذا المعرض من أفضل الفعاليات التعليمية والأكاديمية ويعود هذا النجاح الباهر الى تعدد جنسيات الزوار وتميز الحملة العالمية الترويجية التي صاحبت تنظيمه وقد ساهم هذا النجاح في جعله المعرض الدولي الرائد في المنطقة في مجال التعليم العالي. يقدم معرض ايتكس أفضل فرص التعليم العالي كما يعتبر المنصة الأنسب للتنافس بين كبرى الجامعات والمؤسسات التعليمية المرموقة لعرض أحدث البرامج والمناهج التعليمية ليس فقط لطلاب إمارة عجمان فحسب بل لجميع الطلاب في دولة الإمارات العربية المتحدة
